Under the agreement for 2015
Currimundi Special School will receive

*Estimated on 2014 data. Actual funding will be determined after 2015 enrolment data is finalised.

This funding will be used to

- Support and upskill teachers in teaching literacy and numeracy for students with a wide range of disabilities.
- Increase the access and engagement of students with multiple impairment with curriculum programs.
- Increase the access and engagement of students with limited communication skills.
- Increase the access and engagement of students in literacy and numeracy programs using technology.

Our strategy will be to

- Provide support for teachers through the establishment of a literacy coach.
- Provide additional individual teacher aide support for students with multiple impairment.
- Provide additional individual teacher aide support for students with communication needs.
- Purchase additional interactive whiteboards, software, apps and technical support.

Our school will improve student outcomes by

- Employing an additional 0.2 FTE teacher position as a literacy coach and provide associated professional development. $24,000
- Providing an additional 10 hours of teacher aide support. $12,000
- Providing an additional 20 hours of teacher aide support. $24,000
- Purchasing additional interactive whiteboards, iPads, software, apps and technical support. $22,530
