Under this agreement for 2016
Currimundi Special School will receive $106,420*

This funding will be used to

- Support and upskill teachers in meeting the requirements of the whole school Literacy and Numeracy strategy for students with a wide range of disabilities.
- Provide additional individual support for students with multiple impairment to increase access and engagement in curriculum programs.
- Support the development of communication skills of students with Autism and limited communication.
- Support the access and engagement of students in the use of technology in Literacy and Numeracy programs.

Our initiatives include

- Support for teachers to develop their knowledge and skills in Literacy and Numeracy.
- Additional individual teacher aide support for students with multiple impairment.
- Additional individual teacher aide support for students with Autism and communication needs.
- Additional interactive televisions, technical support, software and apps.

Our school will improve student outcomes by

- Employing an additional 0.5 Full Time Equivalent (FTE) teacher position as a Literacy and Numeracy coach and providing associated professional development. $55,000
- Providing an additional 10 hours of teacher aide support for students with multiple impairment. $12,000
- Providing an additional 20 hours of teacher aide support for students with Autism and communication needs. $24,000
- Purchasing interactive televisions, technical support, iPads, software and apps. $15,420
